## 3 Information on Special Permits/Disclaimer

### 3.1 Special Permits

For special permits, please contact your local contact person. Please provide information on the application, the desired devices and the suggested solution. In this way, you simplify the transaction for all involved.

### 3.2 Disclaimer

The data provided here does not claim to be complete and up-to-date. Pfannenberger Europe GmbH assumes no liability for the correctness of the information in this approval list. Pfannenberger Europe GmbH reserves the right to make changes and updates at any time without prior notice. Any changes and / or misuse of the provided information and data are prohibited.

## 4 Sites MTU Friedrichshafen GmbH

Validity in MTU Group.

### 4.1 Approved Products

According to approved lists electricity.

Pfannenberg is listed as the preferred vendor at MTU in the sector of thermal management of electrical enclosures.

In principle, all **DTS-devices** are approved, but primarily  $\epsilon$ Cool-units should be used. MTU requests the use of a metal mesh filter and prefers the use of the  $\epsilon$ Cool-series with Multicontroller (MC).
