

Quick Guide Intense BR 50-SM (Sounder)

DANGER

DE	- Anschluss ausschließlich durch ausgebildete Elektro-Fachkräfte. - Unvermittelte Schallauslösung kann zu Schreckreaktionen führen.
EN	- Have the connection made only by trained electrical specialists. - Unexpected triggering of the sound can lead to startled reactions.
FR	- Le branchement est strictement réservé aux électriciens dûment formés. - Le déclenchement soudain de la sirène peut effrayer le personnel.
IT	- Il collegamento deve essere eseguito solo da elettricisti specializzati. - L'improvvisa attivazione del segnale acustico può causare reazioni di spavento.
RU	- Подключение только обученными специалистами-электриками. - Внезапное срабатывание звукового сигнала может привести к реакциям испуга
