

Step 1: Choose up to 5 modules and enter the respective 2- digit partial numbers to the fields below to obtain the full 11-digit item number.
(If a Sounder or AS-i module is desired, the maximum number is reduced to 4.)

Modules	Voltage	Colour
Flexi (w/o light source - must order LED separately) 0 4	No LED 0 0	clear  1 0
Function monitored (top) 0 6	24V 8 0	yellow  3 0
Function monitored (bottom) 3 6	24V 8 0	amber  4 0
Xenon Flash 0 7	24V 8 0 230V 1 0	red  5 0
		green  6 0
		blue  7 0
Easy LED continuous (Fully coloured) 3 7	24V 6 0	 3 3  5 5  7 2
		 4 2  6 6
Easy LED continuous (Crystal clear) 3 7	24V 6 0	 1 2  1 5
		 1 3  1 6
Modules	Voltage	Colour
 2 8 2 5 0		1. module
 2 8 2 5 0		2. module
 2 8 2 5 0		3. module
 2 8 2 5 0		4. module
 2 8 2 5 0		5. module

Step 2: Further you can pick additional optional modules.
Use the checkboxes to mark the desired options.

Sounder module
only usable as the
top module

24V ☐

230V ☐

AS-i module
only usable as the
bottom module

24V ☐

Step 3: Choose a mandatory Base/end module via the checkboxes.

Standard Base/end
module

☐

Base/end
module with M12

☐

Base/end module on
stand with M12

100mm
 ☐

250mm
 ☐

400mm
 ☐

Step 4: Choose your desired mounting option.

Direct
mounting set

☐

Mounting stand
with plinth

100mm
 ☐

250mm
 ☐

400mm
 ☐

Bracket for direct
mounting for base
with or w/o M12

☐

Bracket for stand
mounting with or
w/o M12

☐

Tube with
thread and
bracket

100mm
 ☐

250mm
 ☐

400mm
 ☐

Bracket for
mounting
stand (plastic)

☐
